

HOSPITALITY ASSISTANT POSITION DESCRIPTION

Revised April 2018

Position Purpose

To assist with the on-site operations of the camp as it pertains to season of employment.

Requirements

A successful candidate must be flexible/adaptable, a *team* player, a self-starter, and someone who enjoys light-hearted moments and a good challenge. As ministry is a work in progress, the individual needs to recognize that job descriptions are somewhat general in nature and need to be viewed with a spirit that is adaptable to change, for the sake of the bigger ministry picture. As such, s/he should possess strong interpersonal skills and have a heart that both experiences and shares the love of the Lord in accordance with the teachings of the Lutheran Church Missouri Synod. The ability to function as a servant-leader is assumed.

It should be understood that Camp Perkins is located in 46 miles from the nearest town in the beautiful, but rugged Sawtooth Mountains which are generally covered with 3-5 feet of snow from December through early to mid-April.
